Facilitator Spotlight

John Hundley, a dedicated facilitator for 15 years, shares why he chooses to volunteer his time with Supporting Kidds.

"I keep coming back year after year because the work done by the staff and facilitators is so very important for the people we serve. KIDDs provides a unique setting for kids to learn about grief and changes brought about by the death of a loved one. It's a safe environment for asking questions, expressing feelings and dealing with loss in their own way. The reward for me is seeing kids connect with each other in a way that most often does not exist for them following a loss."

Spring Interns

Supporting Kidds appreciates the help of all our interns. Tamar, a graduate student at Widener, and Lianne, Tiffany, and Molly, students at UD, have done great work and we are sad to see them go. Good luck with whatever the future brings!

Diamond State Line Dancing Workshop

A huge thank you goes to the Diamond State Line Dancing Workshop for their donation of \$1,400! For the past 9 years, this organization, run by Joanne Brady, holds a fundraising event to teach and promote the benefits of dance. Each year they look for local non profits to donate their funds to and this year they again chose Supporting Kidds. We appreciate your generous donation!
