A summertime clean up at the Kidds House!

Supporting Kidds is a unique and special place for children and their families. It's a warm and cozy house designed to make kids feel comfortable, safe, and always welcome. This is why the outside appearance of the House is as important as the inside.

Thanks to Gallegos Brothers Landscaping, we were able to weed, mulch and clean up the outside of our property. This was no small task and we couldn't have done it without you! If you are in need of landscaping services, call Gallegos Brothers Landscaping at 302-784-5153.

Grief Doesn't Wait

We offer therapy services, consultations, and assessments Monday-Friday. You can talk to a therapist without waiting for our next support group.

Thanks to our generous donors, we can offer full and partial scholarships for our clinical services.

You can leave a legacy

Help us ensure that Supporting Kidds is around for another 25 years!

We are honored to accept tributes in honor or in memory of your loved ones.
