Thank you to our program facilitators

Facilitators are those caring volunteers who help run our support groups. They take 4 weeks of training classes then facilitate for 4-6 weeks. Once trained, they also help with our one-night programs, represent us at events and exhibits, and participate in other program activities.

Their kindness ensures the success of our programs. This year we trained 8 new facilitators for Healing Pathways. Each year, our programs use 30-40 facilitators. Contact us if you are interested in becoming a new facilitator in 2015.
