Healing Pathways

We successfully started our fall Healing Pathways Bereavement Support Group on October 7th with 28 kids/teens and 23 parents/caregivers in attendance. This family program helps children and teens to understand death and the normal grief process. Caregivers learn what healthy grief is like, as well as specific ways to support their grieving children and teens. Group will conclude on November 11th and will be offered again in Spring 2016.

MUSTACHES FOR KIDDS

Our 4-week mustache growing competition ended October 27 with the Annual Stache Bash. A HUGE Thank You to the 40 growers, the over 700 generous donors, Kelly's Logan House, and everyone who made this event such a success this year!
