PRESENTS
2ND ANNUAL

Hearts That Heal

GALA

NOVEMBER 22, 2025

No child should ever grieve alone.

In Delaware, 1 in 10 children will lose a parent or sibling by age 18. We believe that no child should ever grieve alone.

Our mission is to provide a compassionate pathway to healing for grieving children and their families and to empower the community to support them in the grieving process. **We are the only non-profit in Delaware to serve this population at no cost to the families.**

Experiencing a significant death during childhood often results in profound stress and adversity. Without appropriate support, this experience can derail a child's development. For many children and teens access to comprehensive grief-focused, trauma-informed care and resources is essential.

We believe that when provided with support and information, grieving children and their families can embrace their own capacities to heal. A knowledgeable and caring community is an essential aid in this process.

In 2024 we served a total of **708 children and caregivers** through our individual counseling and grief groups at our Center and in schools.

2nd Annual Hearts That Heal Gala

Last year our Gala at the Wilmington Country Club was **SOLD OUT**. Guests enjoyed dinner and our programming, followed by an open bar, music, silent auctions, and casino tables. **Together, we raised \$64,000**. Funds raised help support our programs which include individual counseling and grief groups at our Center and in schools in the community.

Please join us this year the evening of November 22, 2025 at the prestigious Wilmington Country Club. Our format will be similar to last year's: including dinner, a program, an open bar, a silent auction, and fun gambling tables. We will be adding more casino tables.

We have sponsorships and table purchases available for advance purchase.

Please reach out to Cassidi.Succarotte@SupportingKidds.Org with any questions.
